

# FIRST-GENERATION SCHOLAR RESOURCES

## **ASU TRIO Student Support Services**

- TRIO is a student support program that gives academic support and mentoring to first-generation or low-income college students. TRIO also provides financial guidance and career and development programs.

TRIO

## **Game Changers Initiative**

- The Game Changers Initiative offers academic success coaching to first-generation scholars through the first year success center. Students are connected to an individual success coach, provided with networking opportunities, and connected with other ASU first-generation students, professors, and leaders.
